WELCOME TO OUR TABLE

We've gone the extra mile to provide you with your familiar favourites, as well as new seasonal dishes. We take flavour inspiration from around the world & generously stack each plate with fresh ingredients of the highest quality, so that you always enjoy the taste of more.

We are proud of our South African heritage & we source over 90% of our ingredients from local farming communities & suppliers. It's the right thing to do.

When it comes to decadent treats, we've been freshly baking every cake, muffin, tart, & cookie from scratch in each of our restaurants, since day one. Some of our recipes have remained the same for years, because there's no point in meddling with perfection.

You'll notice the difference in our coffee, sourced from the best coffee-growing regions in the world & locally roasted to perfection. It's also in the way we leave the skin on your fries & use free-range eggs in all our meals & freshly baked treats.

We know everything tastes better this way, & we'll continue doing it like this, just for you.
